Dear Parents,

This year we will be doing an author study in our classroom every Wednesday afternoon. We will focus on one author each month. We will be learning background information about each author. We will also be reading several books written by each author, doing many fun science, reading and art activities. Your student will be ENCOURAGED to go to the library, find a book by the author that we haven't read and bring it to school to share with the class. If you have any questions, please feel free to message me.

May- is choice author month. Your child will need to bring in one of their favorite books. Please try to find a book, with a different author, than the ones we already studied. They will need to do research on their author and share information about the author they chose. They may also read the book to the class. Please look for more information on this come early May. Reports will be due no later than Friday, May 22.

I am looking forward to exploring and learning with your child this school year. If you have any questions or concerns, please feel free to contact me at home or through email.

In Christ,
Mrs. Marohn
