To limit contact we will be changing how it is delivered using a continuous flow. We will not be offering Common Cup but instead we will be offering Individual Cup for communion at this time. Ushers will release one family at a time and we ask that everyone maintain a safe distance from others when partaking of the sacrament. The elements will be placed in a way that everyone can help themselves and it will flow in the direction of your seating. Ushers will assist in directing you until we all get use to the new process.

**USHER SCHEDULE –** If Ushers have an email address the schedule should have been emailed to you on Monday, if you do not have email we sent your schedule via US postage on Monday so please be on the look-out. We also have printed a few schedules and placed them on the table in the West Church office if you need one. Thank you to all our valuable Ushers for all the work you have put into making our services run really well during this time of change. Whenever we return to 2 services a week, we will make out a schedule to cover the rest of the year.
