

SJSJ Volunteer Driver Agreement

All volunteer drivers must sign this Volunteer Driver Agreement in order to transport students on class field trips or other school events that are off campus. The agreement will be kept on file in the school office and remain in effect throughout the current school year. If more than one parent/guardian or other family member intends to drive on field trips, they must each sign the agreement.

By signing this agreement, I/we agree that:

- I am 21 years of age or older.
- I have a valid, non-probationary driver's license with no physical disability, which would impair my ability to drive safely.
- My vehicle has a valid registration.
- I will ensure that each child is individually buckled into the age appropriate child restraint or safety belt as required by law during transport.
- I will ensure that no child sits directly in front of an air bag unless they meet required weight and height limits.
- I will not participate in any activity that would jeopardize the safety of the children (e.g., talking on a cell phone while driving).
- I will ask permission of the class teacher before bringing siblings on the field trip.
- I will remain with the whole group on the field trip for the duration of the event.
- I acknowledge that all rules that apply at school for adults and children apply during the field trip.
